

## The smallest "betting office" ever

# The CBC terminal

Designed for **established small-scale meeting points** for sports fans. Features automatic and **secure bet acceptance** - no staff required and can be placed virtually anywhere (e.g. in restaurants or gas stations).

Its operation only requires **power and an Internet access.**

Operators have the **choice between two packages** (WEB-CBS standard and WEB-CBS Plus) for **statistical reports** and set-up via Internet

CBC terminal model 6

### Technical data:
